# Homecoming at its peak!

Rocky's marching band proves style and lots of hard practicing.

Disney Dress Up Day brought out the "tail" in Lisa Hatlett.

Cathy Williamson willingly participates in the homecoming tug-of-war.

The 80' Homecoming parade had several clowns, and Rolanda Perez seems to have several thoughts.

The tug-of-war takes its toll on Marcia Beckmann.

The homecoming assembly brings out many smiles and cheers from Rocky students.

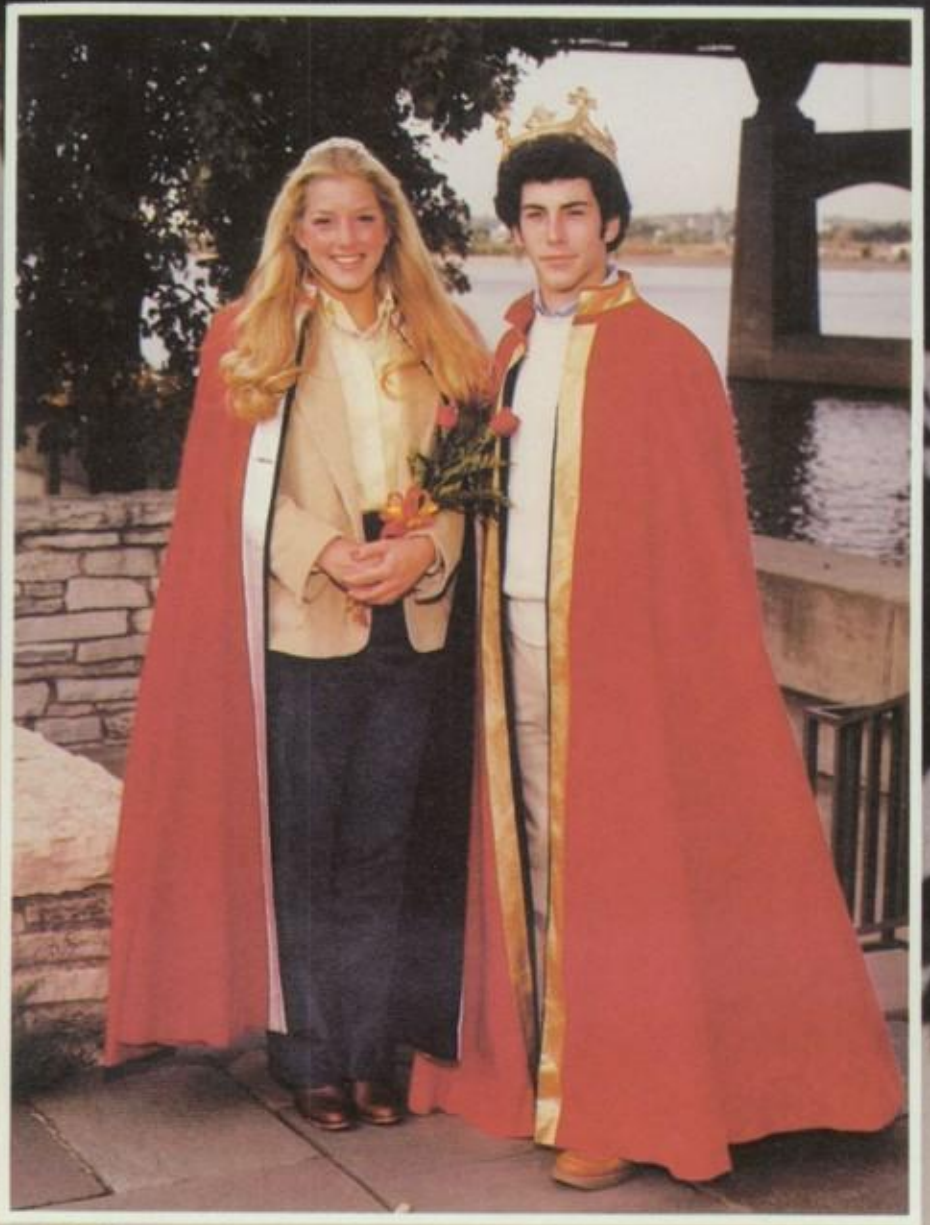

The thought of winning the four-legged race pushes Pam Williams, Julie Eckhardt, and Carrie L. Wilson on to the finish line.

The powder puff football game brings out the best in all of us.

Rocky's Homecoming Court for 1980-1981 is ROW 1: Carrie L. Wilson, Diane Reynolds, Diane Mirr, Amy Bibbee, Marlo Appelquist, Sharon Murphy, and Lori Siegert. ROW 2: Mitch Martinez, Mike Darby, Bob Grawe, Leon Baker, Marvin Mandel, Jeff Westerfield, and Bob Love.

The banner girls precede the Rocky marching band in the homecoming parade.

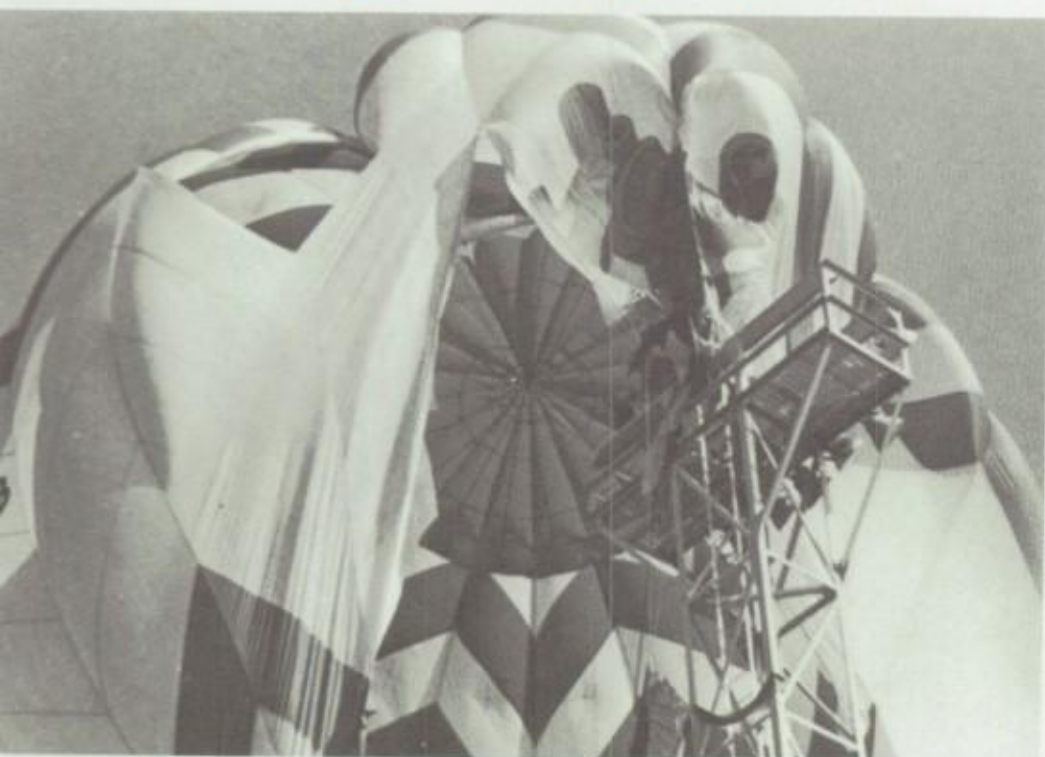

The 1980-81 WATCHTOWER staff set up a day for the Happy Joe's hot air balloon to come to Rocky for some pictures for the yearbook. We contacted Mr. Al Fensterbusch, owner of several Happy Joes'; he agreed to bring two balloons as a favor to the yearbook. The day was warm and sunny, and we were excited about getting pictures of the school and the campus from the air. The wind was rough though, making it difficult to hold down and control the balloon.

# Our big hang-up

It was arranged for a counselor, (Mrs. Pierce) and Ron Chappell, a photographer from Adolphi Studio, to go up in the balloon with the pilot, for a trip ... actually, wherever the wind took them.

The wind caused such a problem with keeping the balloon down, that the ropes were let go from the ground, and the wind took the balloon and all its passengers right into the light standard at the west side of the stadium.

The basket landed in a tree next to the tower, making it somewhat easier for the people to get down, and safely at that. This unfortunate accident was quite an experience and needless to say, we got our pictures!

Selling yearbooks on "Western Day" seems to be funny for Patty Huisman.

These girls ride into the homecoming parade.

Competition seems to be the name of the game for this girls' gym class

The homecoming assembly brings out talent and excitement from the student body.

A cold football game means a warm blanket for these two band members.

Court members Lori Siegert, Marvin Mandel, and Diane Reynolds, find it easier to ride in the homecoming parade.

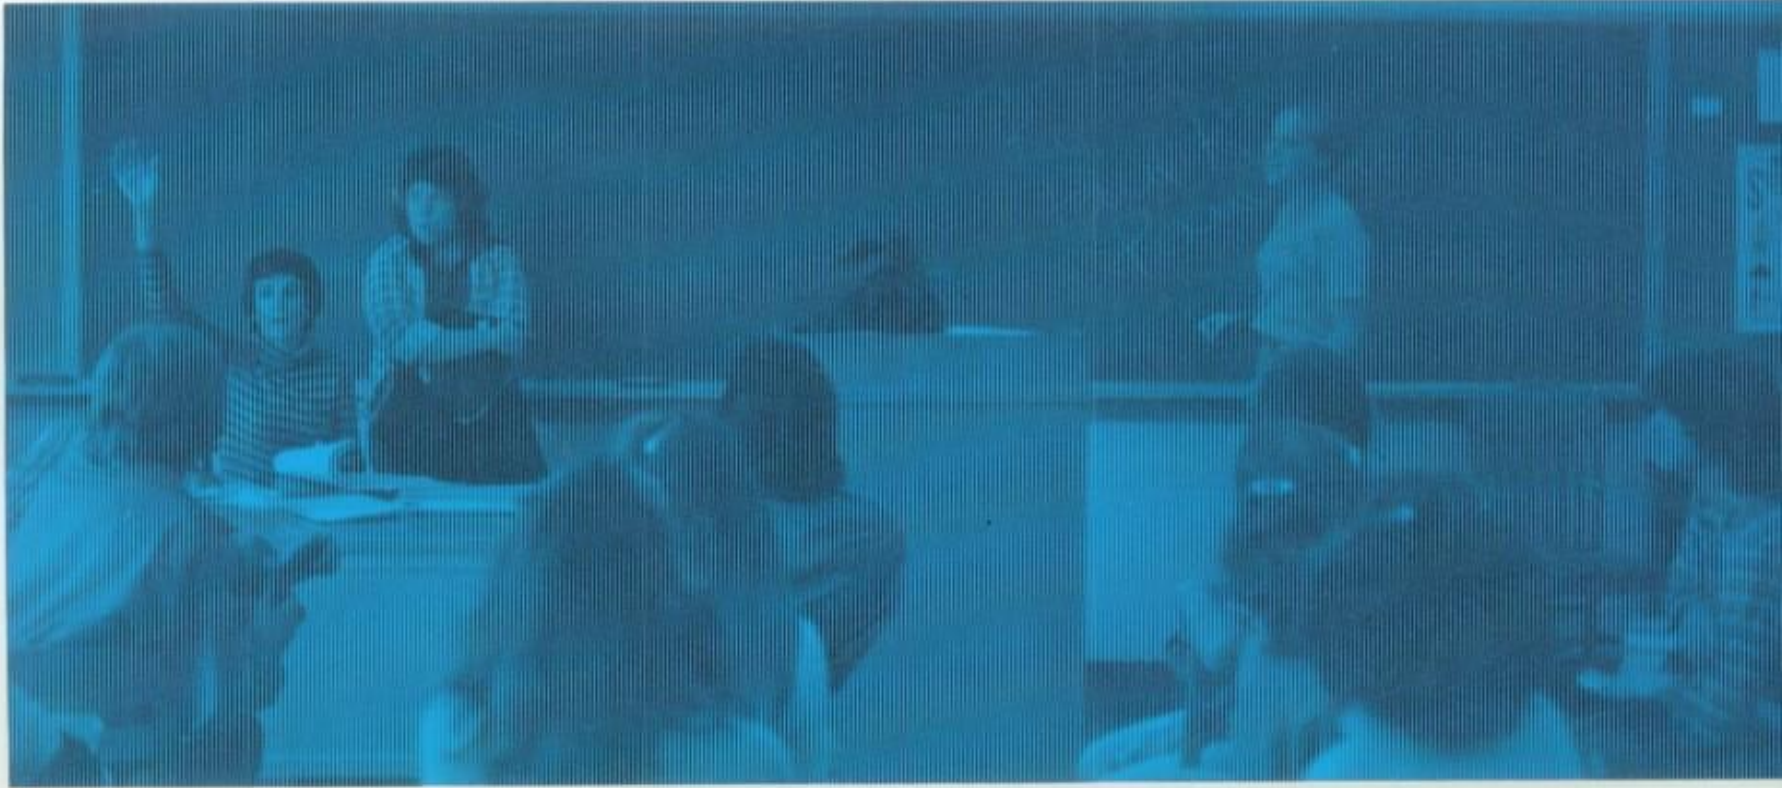

A familiar site for many is the boats on the Mississippi River. Spanning the river is the Centennial bridge.

A rare, quiet moment for two students in one of Rocky's hallways.

# In the class and on the field

German clubbers decide on the year's events.

Students check out the helicopters that landed on our campus.

Rocky's defense gets tough.

Nancy Bryant thinks its funny that Colleen Jacks forgot where she parked her horse.

# 1980 - successful season for Rocks

The 1980 Varsity Football Team started the season off fast with a win over Iowa powerhouse, Davenport Central. After dropping the next two out of three, the Rocks put together a tremendous 3 game winning streak. This streak included a homecoming win over league favorite Moline. A late-season loss to a championship Galesburg team nudged the Rocks out of a state play-off berth.

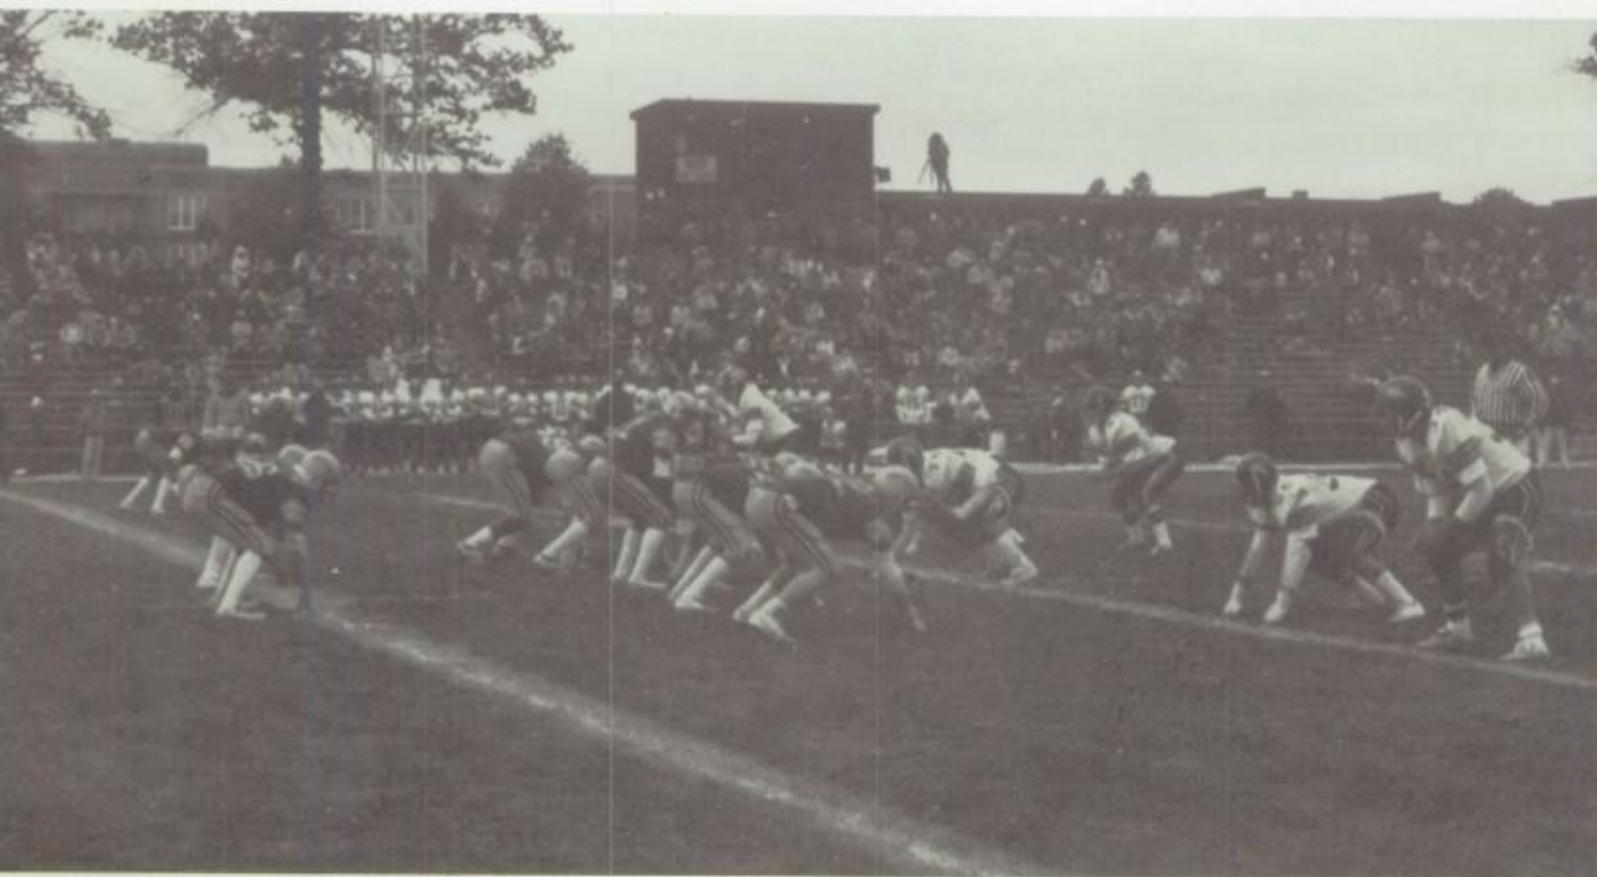

Cited by Head Coach Hugh Johnson for excellent effort all season were: running backs Morgan Smith and Mike Darby; quarterback Mitch Martinez; receiver Michael "Country" Johnson; linebacker Arnold Barnett; nose guard Mark Resler; safety Bob Love; and linemen Roman Bates, Tom Foster, and Pat McCleary.

Picking up a full head of steam is Rocky speedster Rick Beechum.

Returning this year from a 10 year absence to coach boys' swimming is Dr. Gary Ackerson. His assistant, a first-year swim coach is Richard Sellers.

The boys' season was very competitive and challenging. The team worked for a hard season and their work paid off.

Dr. Ackerson was very pleased with the team's progress and determination. As he put it, "It's really been a pleasure working with this team. They worked hard and although we're not winning a lot, there is the satisfaction that at every meet is seems that five or six swimmers improve their times."

Rob Humphrey is in deep concentration prior to the start of the race.

On your mark ... Get set ... GO!

## Girl Netters serve winning season

The 1980 Girls Tennis team finished the season with a winning record of 8-5. Led by junior Kelly Fackel, the team placed high in the R.I. Invitational, Western Big Six, and the District tournaments. Although heavy with inexperienced freshman and sophomores, the team did quite well. The junior varsity lost only one close meet. This year the girls qualified 3 for the state meet; Kelly Fackel for singles, and Lori Miller and Carrie Wilson for doubles. The young interest in the team this year opens broad horizons for teams in the near future.

The 1981 Boys' Tennis Team proved a good showing in both district and state competitions this season. Led by senior Ian McLaughlin with the strong support of returning lettermen Dave Enstrom, Scott Gerstein, and Greg Cohen, the Rocks had one of the toughest teams in the area. The Rocks were again coached by Les Sammon with assistance from newcomer "Jet" Johnstone.

## Rocks Go 22-5

Under the direction of first year coach, Duncan Reid, the Rock Island Varsity Basketball team compiled a spectacular record. The Rocks started the season off right with a championship in the Quad-City Turkey Tourney. Going in to the Pekin Holiday Tournament, Rocky was sporting a 6-1 record. The Rocks then swept four very close games to capture the tournament crown. When the state rankings came out in January, Rock Island rose from fifteenth to eighth. Facing their toughest weekend of the year, the Rocks met number one Quincy and 10th ranked Aurora East. Quincy put the clamps on Rocky once again in a sold out fieldhouse. The Rocks bounced back the following night to take Aurora East on a Mike Reid bucket with 5 seconds left. Boosting the Rocks all season were Blake Wortham, Wayne Steele, Rick Keys, Leon Baker, Mike Reid, and "Super-sub" Aaron Woods.

Because of his three years experience, the Rocks rely heavily on Wayne Steele for leadership.

Leon Baker strains to rip the ball away on a tip-off.

With a quick burst of speed, Aaron Woods shakes an Alleman defender for a lay-in.

First year mentor Duncan Reid re-lays instructions to his team.

Ricky Keys uses some stifling "D" against the Pioneers.

The Rocks huddle for directions during a time-out.

# Rockettes shoot for stardom

Coach Swaggard and Rita Jett discuss a new play.

The Rockettes are in action against Rock Falls.

During the 1980-81 basketball season the girl's varsity basketball team, the Rockettes, consisted of 3 seniors, 6 juniors, 1 sophomore, and 1 freshman. The girl's team is coached by Ed Swaggard, his fifth season. His dedication to coaching and desire to produce a winning team inspires and challenges the girls to achieve a winning season. The team has a "never-die" spirit which has enabled it to come from behind late in the game to victory. Learning to work together with pride and determination has led to the team's winning season. Hopefully the girls' basketball program will continue to grow in interest, ability, and support.

# Girl Golfers play up to par

The 1980 Girls Golf team had a record of 2-10. The girls were very competitive and made a great effort both as a team and individually. In the beginning of the season, the girls had a little trouble with skills, inexperience, and bad competition. As the season passed along, hard work paid off, and things began to fall into place. The girls improved their scores and gained experience for next season. Kim Boeye led the team in most matches and was the lone sectional qualifier.

Concentrating on her swing is junior Suzy Henneman.

The Rocky girls' gymnastic team made fantastic improvement again this year under second year coach Fred Friedrichson and new assistant coach Jim Smith.

This years' team was Rock's best according to the coach. The team was lead by seniors Tina Sanders, Vicki Bowker, and Lori Strom. Freshmen Angie Hollenbeck and Nancy LeWarne added strength to the squad in many events and show promise of brilliant futures.

"We had so many girls that were stronger this year that it was really difficult to pick the top four who would represent us at District, Sectionals, and State. It was difficult picking the best from our team when we had such good performers as Angie Dasso, Dawn Quimby, Lisa Bowker, Brenda Suarez, and others", said Friedrichson. "Sometimes only a tenth of a point separated many of our own team members."

Senior Gymnasts are Lori Strom, Vickie Bowker, and Tina Sanders.

Sophomore Dawn Quimby shows her skills on the mat.

The 1981 Track Squad will be led by a strong contingent of their returning lettermen. Coming back for the Rocks are: (distance men) Tim Carlson, Terry Brown, Kondon Karzin, and Tom Sellers; (field events) Ryan Sheley, Mark Hart, Todd Birkel, and Tim Bowden; (sprinters) Morgan Smith and Ricky Beechum. The newly renovated stadium is now equipped with an eight lane, all-weather track to replace the outdated cinder track. Head Coach Bonsall feels the team lacks depth but experience should make the Rocks a Big Six contender.

Senior dashman, Morgan Smith, holds the title of "The fastest man at the Rock."

Leading the distance men in their stretching is senior Marshall Little.

# Girl tracksters set even pace

Coaches McGreevey and Bender wait for their sophomore baseball team by the rock.

This year's Sophomore baseball team was no different than team's of year's past. Coaches Gary Bender and Tom McGreevey felt their team should be as strong as any other past conference champ. Their strong pitching and good tight defense in the field led the Pebbles to many victories. To add to their great defense, they provided a powerful scoring attack. The sophomore baseball team fielded a very fine team this year.

# Rocky sluggers swing into action

Senior Lori Long reflects on her date the night before while batting.

Senior Sue Wittig "puts her all" into her swing.

The 1981 girls' Softball Team is made up of very talented girls. Last year, Coach Kim Faust started with a junior infield, and this year they are seniors and more skilled. With the potential and talent of this squad, Rocky's softball team should go far in the season and through the State tournament.

The team last year finished with a 22-3 record, winning regionals, sectionals and half-way through super-sectionals. Rocky ended up in the "sweet-sixteen" category. Team members hope that the team at least makes it to the "elite-eight".

Leading the Rocks will be returning lettermen Lori Long, Sherry Roessler, Marcia Beckmann, Deanne Styx, and Sue Wittig.

Returning players are: row 1- Sheri Morehead and Sherry Roessler. Row 2- Coach Faust, Sue Wittig, Deanne Styx, Chris Kirzeder, Marcia Beckmann, and Shari Ekstrom. Row 3- Chris Staes, Marcia Lemkau, and Lori Long.

Coach Faust wonders what will become of the team:

Senior Marcia Beckmann is in her ready position for a ground ball.

Marcia Beckmann safely makes it to first base.

Junior Sherry Roessler successfully bunts her way on base.

A black and white photograph of a wooden fence in a field with bare trees in the background. The fence is made of dark wood and runs across the middle of the frame. Behind the fence, there are several large, leafless trees with intricate branch structures. The ground in the foreground appears to be covered in dry grass or low-lying vegetation. The overall mood is quiet and reflective.

- Now that our high school year comes to an end, many of us must choose which bridge we'll cross to our adult life. Many will choose the bridge to a world of business or the bridge to a higher education. Many may even choose both.

Whatever "bridge" is chosen, we will look back at the Rocky years as a part of our lives that we can never replace.

Junior Class officers for the 1980-81 school year are Vice-President Stephanie Hallberg, President Tab Smith, and Secretary-Treasurer Jackie Anderson.

As juniors at Rocky we experience feelings never encountered before. We dwell upon our plans for the distant future, deciding our goals and continuing our edu-

cation. As juniors we develop responsibility needed for our senior year. The class of '82 has enjoyed an exciting and challenging year.

## sophomores

Sophomores join together and bridge the gap between East and West. This is the starting point of their high school life. From time to time there is troubled water under the bridge but to smooth it out, there are upper classmen.- Seniors and Juniors.

Sophomores look across the bridge into their future to the time when they will be upper classmen.

## academics

Academics, the process of educating young people, consists of the teacher striving to provide the bridge from elementary school to the secondary level, at which time students cease to be directed and are *guided* toward broader horizons.

# What's happening in Rocky academics

*A - is for art* ... "I like Art because it gives me something to do to express my innermost feelings", says senior Constance Pearson.

*B - is for biology* ... lab work stresses living things since we are in a living world.

*business education* .... precise communications are more important today than ever before; shorthand and typing are two skills which really speed up the communication process.

*C - is for chemistry* - Chemistry is the basic fundamental of all creation ... students discover new worlds through the study of it.

*Counselors* ... who help Students through their three years at Rocky. *Custodians* .... dedicated workers who clean up after "litterbugs"!

*D - is for driver's education* ... popular with sophomores because without it, they wouldn't get those lovely blue slips.

*E - is for English* ... from sophomore core courses to over thirty interesting elective courses.

*F - is for foreign languages* .... from monopoly, "Spanish - style", to bingo, "German-style"; learning languages while playing games. F is for food, too ... "hats off" to our good cooks in the cafeteria, toiling daily to please student's palates.

*G - is for graduation* .... that glorious day that every student anticipates for many years.

*H - is for health education* .... "It's about you. It's about life and it's problems. It's about making intelligent

choices." .... says Fred Fredrichson.

*I - is for individual attention* ... that precious commodity that dedicated teachers manage somehow to furnish students.

*J - is for Journalism II* ... that lively bunch who produces an award-winning school newspaper.

*K - is for knowledge* .... that's what Rocky students are here to strive for!

*L - is for learning center* (better known as the library) .... where a vast collection of books, magazines, newspapers and other media aids discovery of new ideas, new worlds.

*M - is for mathematics* .... math is the queen of all sciences, everything focuses on it.

*N - is for nurse* .... who had a busier-than-usual Fall dealing with late starters and many sore arms, due to the state immunization law.

*O - is for office occupations* ... Mrs. Ballard, busy teaching her working students proper office procedures, and checking on work students.

*P - is for physical education* ... co-ed PE classes are "official" now, and early-bird PE classes are a first this year.

*Q - is for quality* .... quality of education.

*R - is for reading center* ... a pleasant room, filled with wonderful books and magazines, plus a variety of learning devices, where students are given individual reading help by Mr. Christenson or Mr. Purtscher.

*S - is for science* ... in our well-equipped labs, where interested students peer into microscopes, viewing all sorts of wondrous things. Also *social studies* .... and this year students are enjoying a new class entitled "American Problems" ... an interpretation of current national issues and their historical backgrounds. *Special education*. "If a man does not keep pace with his companions, perhaps it is because he hears a different drummer." — Henry D. Thoreau.

*T - is for teachers* ... the real backbone of education! Truant officers, who strive so diligently to keep stray teenagers in school.

*U - at the risk of being "corny"*, we'll say it's for YOU, the student, Rocky's most important product!

*V - Vocational education* ... the banging noises from the body shop, the whirring, buzzing, busy noises from power mechanics ... the frantic, busy "deadline" pace in the printing classes ... all giving the vo-tech students a taste of those vocations.

*W - work coordinators* - busy teachers, who wear "two hats" ... those on a classroom teacher and a liaison person between employers and employees ... those employees who are their students ... who they teach work values and many other techniques that will prove invaluable to these students in the world of work.

*XYX - We'll pick the middle one Y* .... for Yearbook .... *WATCHTOWER!* The best in the midwest! (pardon us ... we are prejudiced!)

- Watchtower Staff

We know that Rocky teachers have their ups and downs, but Mrs. Peggy Pierce says, "This is ridiculous!" as she climbs down the stadium light stand.

## In memory of Annie Neely

STUDENT REFLECTS ON DEATH OF A "GREAT" TEACHER, MRS. NEELY

Editor, The Argus: Last Wednesday brought tears to my eyes when I heard of the death of one of my teachers, Mrs. Annie Neely. Annie was not only a great teacher but inspired me and other students to set and try for goals as a student as well as in the years to come.

Annie Neely had a God-given talent not only in the classroom but outside as well. Annie wasn't my hardest teacher nor my easiest, but she was the kind of teacher you wished all the teachers would be like.

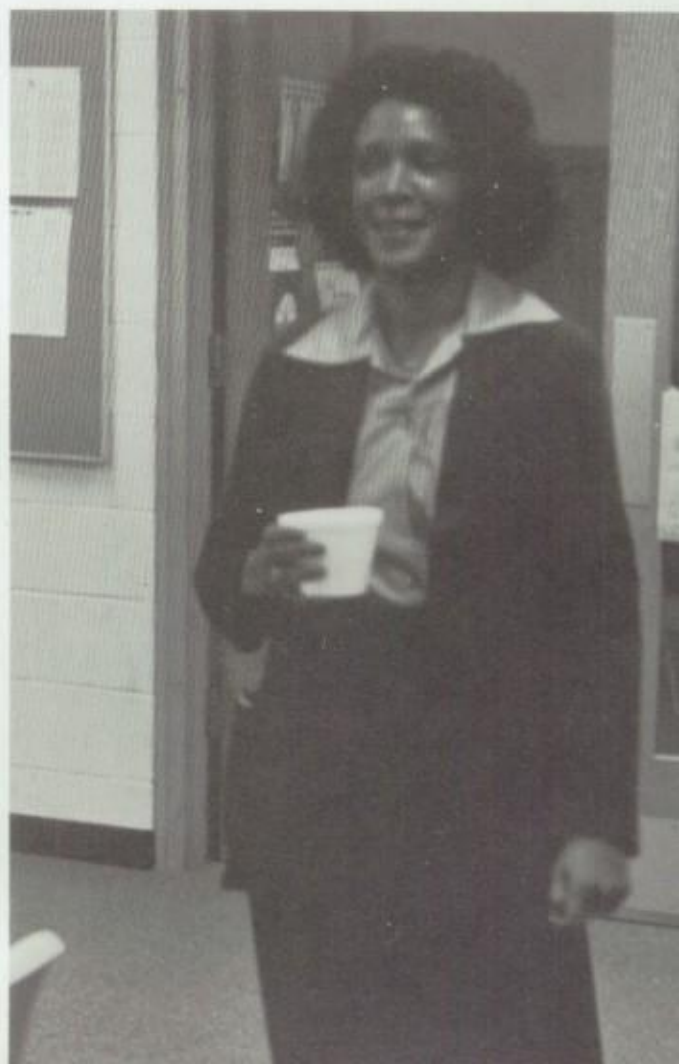

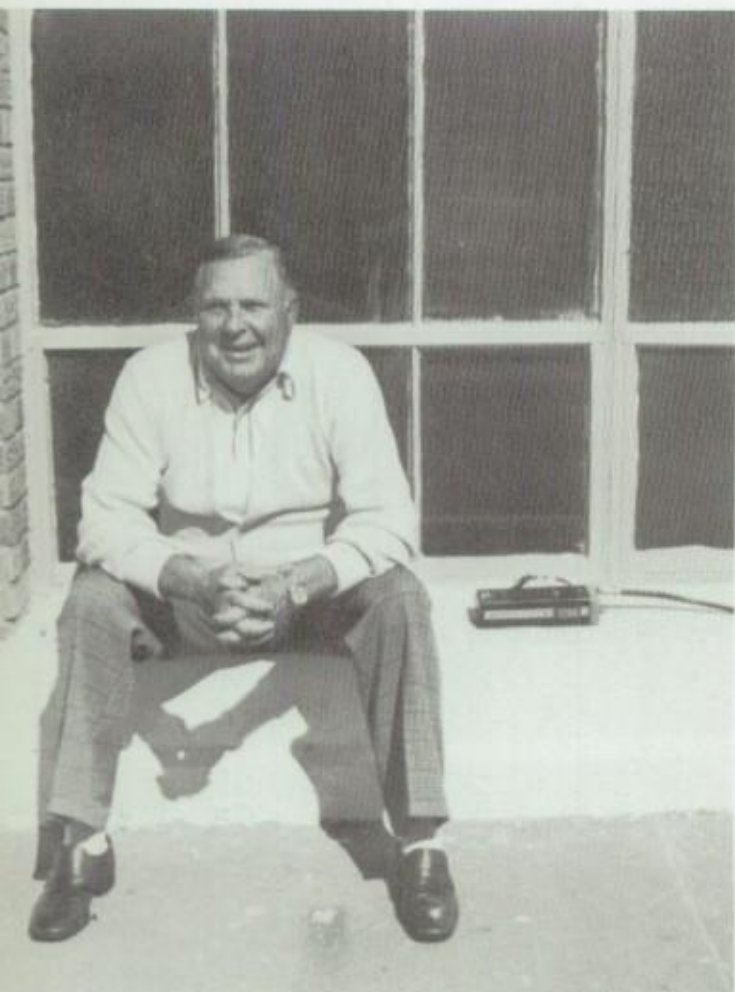

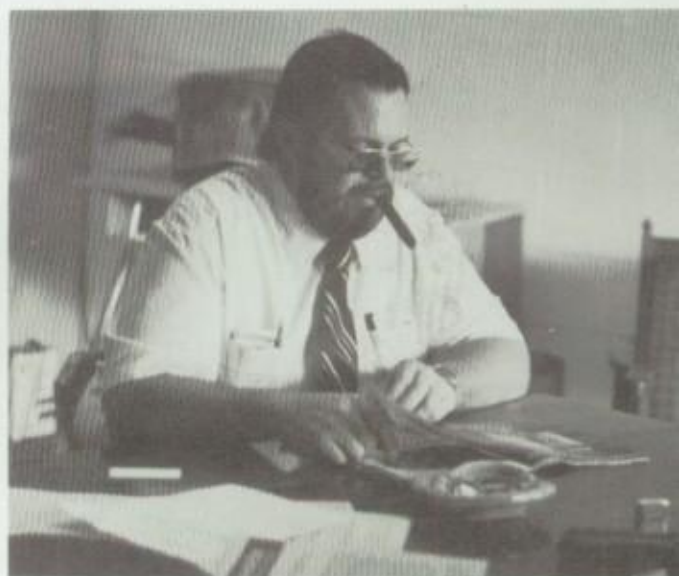

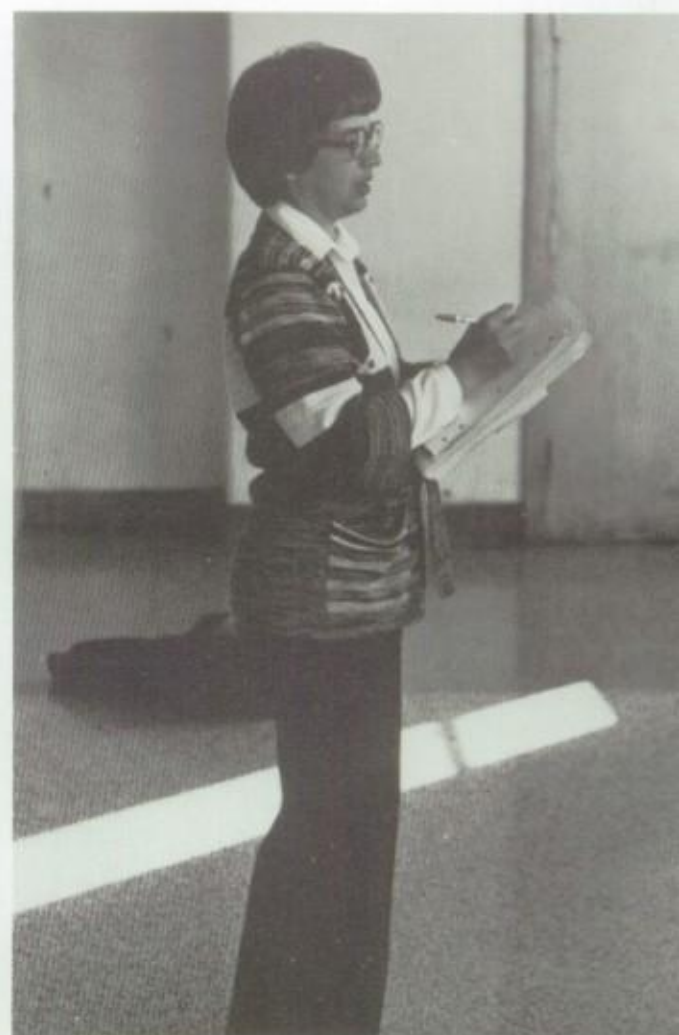

I think The Argus said it right in its editorial page headline on August 4. It read, "So long, Annie Neely --- you'll be missed".

Annie, your students and your former teachers love you and miss you. Annie, your friends and neighbors love and miss you. Annie, your husband and family love you and miss you. Annie, you know that I really miss you and I really love you.

I know that there will never be a teacher like Mrs. Annie Neely again.

## organizations

Clubs are a major part of the many extra curricular activities offered at Rock Island Senior High. To provide for the students' diversified interests, programs for participation in literary arts, sciences, school spirit, student government, work programs, and other individual hobbies, are in existence. New organizations can be formed readily to serve the demand as the students broaden their horizons.

The various organizations at the Rock serve as bridges to the future, offering experiences and activities that will prepare the students for the years ahead. There is truly something for everyone here, and the students who take part in these programs are taking an additional step forward on the bridge of adulthood - preparation for which the organizations at Rocky play a major part.

The *JAZZ BAND* added a lot to the music program at the Rock. Students had the opportunity to express themselves musically in a less formal atmosphere than that of a rigid marching or concert band. The class performed a variety of music including jazz, rock, pop, and some disco. The students also participated in various festivals and competitions abroad. This requires flexibility for the student to change his class schedule if his working hours are changed. The atmosphere at the V.I.P. store/school is relaxed, allowing for informal activities between classes, and close student-teacher interaction. This type of arrangement meets the students immediate needs, and makes getting an education much more meaningful to them.

One more year has passed, and without the yearbook class, some of us may not have had the courage to keep going. We remember the first day, many of us had no idea what the class would entail. What was first considered just another class period with more homework, soon was thought of as a job, a hard job.

The editors were trying to cram layouts, copy, outlines, pictures and cropping into our minds, and the adviser was endlessly stressing that we had to form all this information into a yearbook, and on top of it all, we had to do it in time for a deadline! Deadlines and no pictures became the number one symbol of panic.

The O.E.A. theme for 1980-81 is developing leadership in the 80's, which includes the most important factor in Office Education Association. Besides getting an office related job you experience the feelings of accomplishment, responsibility, service, and most important of all, leadership — one of the key factors for success in life. The Rock Island High School chapter of O.E.A. is very active this year with bake sales, dinners, and a rock-a-thon to raise money for the Special Olympics, and visiting the Pediatric Ward during Christmas. But the biggest goal this year is to make O.E.A. known throughout the area, and raise enough money for the whole club to attend the Illinois State O.E.A. Spring Conference.

# We may never pass this way again

'We may never pass this way again . . . ', singers Seals and Crofts summed up the school year in the title of that song. We finish the 1980-81 school year with happy memories of sharing, learning and growing together. We may not re-live this, but we shall go on in our lives as individuals who are proud to say "I went to Rock Island High School."

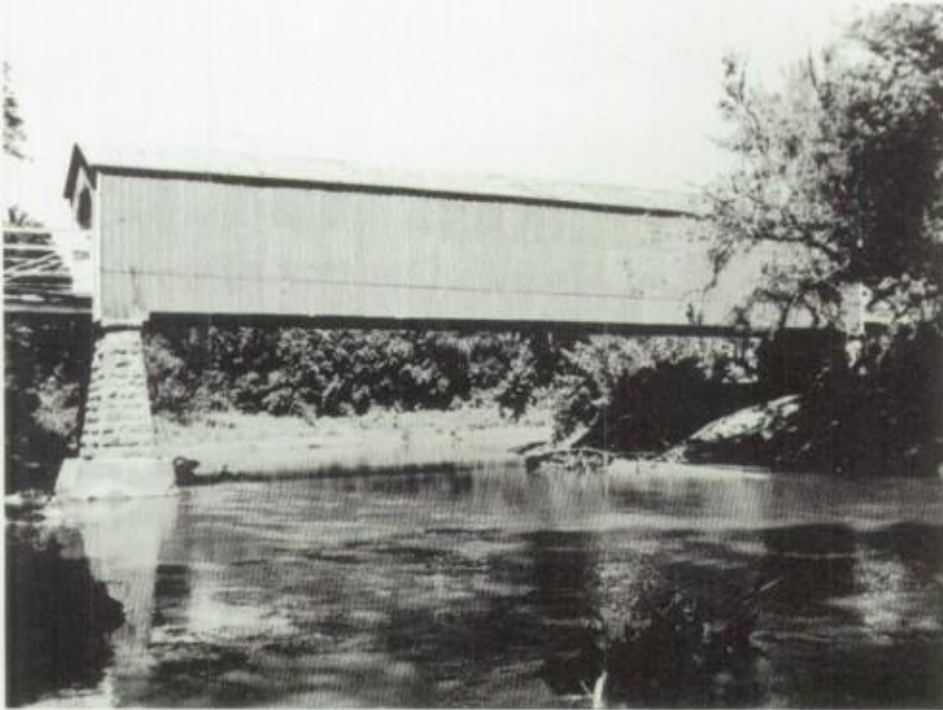

We would like to dedicate the closing of this annual to our "super" adviser, Eleanor Conrad.

She not only instructed superior journalism, she became a special friend to all her staff members for the past 12 years.

Thank you Mrs. Conrad for one more great year.

~~Keep your hands~~  
keep your hands  
off your glands and  
don't let your meat loaf.

Boozers,  
well I still think that  
we should open a beer hall  
in Berlin or somewhere  
in Germany sometime.  
Keep cool and get that VolkswAGEN!
